

Celebrating Rural NZ

Thank you for considering being a sponsor of the 2024 Waimarino Agricultural and Pastoral (A&P) show.

Wow last years show was amazing! we almost doubled the number of visitors through our gates, with huge growth, now is the time to get on board and be part of a positive and vibrant event in our community.

World Championship Woodchop Competition.

Our local 'ish' axeman Jack Jordan, has competed at the Waimarino Show for the past seven years, recently winning the 2022 and 2023 World Champion lumberjack titles. We think a great way to celebrate Jack's success and the sport is to bring a massive competition to littl' ole Raetihi. With grand competition and significant prize money we anticipate competitors coming from Australia and the South Island, their support crews and wood chopping fans coming from near and far... This is a fantastic sponsorship opportunity. Please see the attached form outlining sponsorship packages available from \$650 all the way to \$5000.

Free rides for the kids - LONG MAY IT CONTINUE

Last year was our first year with free rides for the kids and WOW the response has been massive! We had families driving hours for a fantastic family day out and we can confirm we will be offer the same deal this coming show. This can only happen with fantastic sponsors, such as yourself, get on board so we can offer FREE rides all day! We would love all the kids to have a great day out whilst maintaining affordability for our caregivers. If this concept resonates, perhaps you or your business will sponsor one of the five major rides we have available?

We are casting our net wider than ever before by promoting this event outside our region and this is a great way for your business to support our community while being showcased on a much larger scale than ever before.

Our show has been in a growth phase for the past six years and we are excited about this year's improvements. Our aim is to ensure there is always something new and exciting at each show. We will be showcasing fantastic local food, hosting a young farmers competition, live local music, a huge marquee for families to escape the sun, free games and competitions to enter on the day, a petting zoo, the revamped and forever improving 'Produce Shed', horse and pony show jumping and plenty more.

We appreciate your support. If you require further information or have any queries regarding sponsorship please contact
